CHAIR

E 275/10 THAT Lesley McKay (University of Auckland Counsellor) be granted speaking rights at this meeting.
Carried

Lesley presented statistics on other campuses and the ratios of students requiring assistance. Our level of Counsellors is still as it was when we had 25,000 students. It could be up to 10 weeks wait to see a Counsellor. Following an external review they found there should be additional counsellors but we have no-where to put them, hence the need for the offer from AUSA to assist by providing a temporary space in the AV Presentation room until the end of the year.

Concerns by Executive Committee in general covered confidentiality issues, noise issues, and the size of the room. These were felt to be minor.

MCCORY/NELDER

E 276/10 THAT AUSA approves the temporary use of the AV Room by the University Counselling Service until the end of 2010.
