The high workload for the Human Participant Ethics committee was raised. The President has been given a free phone by Telecom for his 95bFM show, but it is not satisfactory.

**GENERAL BUSINESS:**

• **ETTSA** – An introduction to ETTSA was given by ETTSA President and AUSA Epsom Rep Angela McInerney. Angela gave an explanation of the ETTSA role and the Epsom Campus location and facilities. There are around 2000 students at Epsom. The Epsom Rep is the liaison point between AUSA and ETTSA on their respective issues. Angela noted the swimming pool, tennis court, free car parking, and the Sylvia Ashton Warner Library. The proximity of the Mount Eden Bowling Club was noted. Angela welcomed the entire Executive to visit the Campus. There will be a pool party during O Week.

• **Trust Appointments** – Memorandum on Trust Appointments to be noted.

  **CHAIR**

  Tabled

  THAT Akif Malik be co-opted as the AUSA representative on the AUSA John Weeks Trust for 2009.

• **Education Action Group** – Acting EVP gave an explanation of the group, and spoke to the brief that he had prepared and attached to the Agenda. He discussed the difference between a group administered by Executive members and one administered by non-Executive students. The EAG should promote wider education issues and be a voice for students on education policy. The AVP also explained its structure, what had worked at other campuses, how it came about in Auckland, plus what the Auckland EAG had done in the past. A working party will be established.

  **MCCORY/CARVER**

  **E 30/09**

  THAT the Epsom Rep, WRO, co-NAO (McMaster), MO, co-Student Forum Chair (Woods), AVP, and Alex Nelder be in the EAG Working Party.

  **Carried**

• **NZUSA Conference** – General de-brief. The AVP covered the conference in some detail. He explained the framework for reporting, Executive expenses and how to claim.

• **Exec Meeting Time** – The President wished to move the meeting time to 5pm. The AVP spoke in favour of retaining 5pm, citing what happened when this idea was raised last year, and it’s reasoning. A brief discussion was held. A number of members had yet to finalise their timetables and labs. The matter will be re-assessed and raised again in March.

• **Acting EVP**

  **CHAIR**

  **E 31/09**

  THAT Alex Nelder be appointed the Acting Education Vice President from 11-17 February 2009.

  **Carried**

• **Student Forum** – Oliver spoke. Gilaad and himself have been combing businesses to work out promotional deals for the Forum in 2009, such as DJs and party goods. The suggestion was made for an old juggling man to feature.

• **ETTSA Activities** – Angela outlined social activities on campus. With more mature students and families, the needs of the Epsom Campus are different to the City Campus. The social calendar reflects this. There was interest raised in more AUSA Club activity, and also extending Thursdays in Black.

• **Membership Drive** – The EAOs spoke about membership coverage at halls of residence. Both Amanda and Hana can cover the Halls of Residence (Huia, Grafton, O’Rorke etc). Information to be provided to the GM by the team. The AVP raised the issue of direct mail in Halls and suggested that instead of this intrusive approach posters be designed and used instead.

**Date of Next Meeting:** 6pm on Monday, 23 February 2009 in the Executive Chambers

**Meeting Closed at:** 7.15pm

Signed as a true and correct record
Darcy Peacock, President, CHAIR
